REPORT AND RECOMMENDATION TO DENY
PETITION FOR A WRIT OF HABEAS CORPUS

Petitioner has filed a petition for a writ of habeas corpus challenging an October 7, 2009 prison disciplinary proceeding which resulted in the loss of 30 days previously earned good time credits. The disciplinary proceeding took place at the Middleton Unit in Jones County, Texas. As of the date the instant habeas application was filed, petitioner was incarcerated in the Clements Unit in Potter County, Texas.

In order to challenge a prison disciplinary adjudication by way of a federal petition for a writ of habeas corpus, a petitioner must, at a minimum, be eligible for mandatory supervised release (in order to have a constitutional expectancy of early release) and have received a punishment sanction which included forfeiture of previously accrued good time credits (a sanction affecting petitioner's fact or duration of confinement necessary for habeas relief). *See Malchi v. Thaler*, 211 F.3d 953, 958 (5th Cir. 2000). In his habeas application, petitioner advises

he is in respondent's custody pursuant to a 2009 conviction for the felony offense of robbery out of Dallas County, Texas, and the resulting 5-year sentence. In his habeas application, petitioner acknowledges he is not eligible for mandatory supervised release. As petitioner is not eligible for mandatory supervised release due to his conviction for robbery, *see* Tex. Gov't Code § 508.149(a)(11) (2009), he may not challenge his prison disciplinary adjudication by way of a federal petition for a writ of habeas corpus.

RECOMMENDATION

It is the RECOMMENDATION of the undersigned United States Magistrate Judge to the United States District Judge that the petition for a writ of habeas corpus filed by petitioner QUINTON LEON FELTON be DENIED.
